ITEM 4. PURPOSE OF TRANSACTION.

Each of the Reporting Persons holds and/or presently intends to hold (all but Oak Investment Partners XII doing so indirectly) the Common Stock described in this Schedule 13D (most specifically, Items 2 and 5 hereof) for investment purposes only.

Depending on prevailing market, economic and other conditions, the Reporting Persons may from time to time acquire additional shares of the capital stock of the Company or engage in discussions with the Company concerning further acquisitions of shares of the capital stock of the Company or further investments in the Company. Each of the Reporting Persons intends to review his, her or its investment in the Company on a continuing basis and, depending upon the price and availability of shares of Common Stock, subsequent developments affecting the Company, the Company's business and prospects, other investment and business opportunities available to the Reporting Persons, general stock market and economic conditions, tax considerations and other factors considered relevant, may decide at any time to increase or to decrease the size of his, her or its investment in the Company (in each case, all but Oak Investment Partners XII doing so indirectly).

Except as set forth above in this statement, none of the Reporting Persons has any present plans or proposals that relate to or would result in: (a) the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Company; (f) any other material change in the Company's business or corporate structure; (g) changes in the Company's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; (h) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or (j) any action similar to any of those enumerated above.

The Reporting Persons previously reported their share ownership on a Schedule 13G, filed with the Securities and Exchange Commission on February 11, 2014, as the Reporting Persons owned such shares prior to the Company's IPO. The Reporting Persons have transitioned from filing a Schedule 13G to a Schedule 13D as a result of the transactions described in Item 6 below.
